CURRENT REACH

Our network of more than 900 food banks in over 40 countries distributes food to more than 16.9M people facing hunger (pre COVID-19) through over 56,000 social service organizations providing life changing services and help on the path to self-sufficiency.

In March – June 2020, GFN food banks expanded their reach, serving more than 22M people.

HOW FOOD BANKING WORKS

HEALTHY NATIONS START WITH HEALTHY CHILDREN

In 2019, food banks in the GFN network served **6.2 million children** in partnership with thousands of community-based agencies and schools.

FOOD BANK PROGRAMS & OPPORTUNITIES FOR PARTNERSHIP

Types of programs:

- **School breakfast programs:** 23 food banks in 13 countries
- **School lunch programs:** 8 food banks in 6 countries
- **Backpack programs:** 4 food banks in 3 countries
- **Summer/ holiday food programs:** 9 food banks in 5 countries
- **Food and nutrition education:** 12 food banks in 7 countries

While food banks are well positioned to address child hunger and would like to continue or expand their programs, **74% of food banks report funding as a barrier** and **54% report specific food procurement as an obstacle.**

POWERING COMMUNITIES FOR ZERO HUNGER

A CRISIS LIKE NO OTHER

COVID-19 is driving an unprecedented increase in demand for food, pushing us toward a global hunger crisis.

1 in 4 faces food insecurity

An estimated 690 million now face chronic hunger

Those living in poverty are disproportionately affected

Women and children are the hardest hit
